**Participation Agreement**

**Empower Advisory Group, LLC** - If I have elected to have my account professionally managed by Empower Advisory Group, LLC and this form is submitted, my election to have my account professionally managed will override the investment allocation requested on this form until such time as I revoke or amend my election to have my account professionally managed.

**General Information** - I understand that only certain types of distributions are eligible for rollover treatment and that it is solely my responsibility to ensure such eligibility. By signing below, I affirm that the funds I am rolling are in fact eligible for such treatment. I authorize these funds to be transferred into my employer's Plan and to be invested according to the information specified in the Investment Option Information section. I understand and agree that this account is subject to the terms of the Plan Document.

If the investment option information is missing or incomplete, I authorize Service Provider to allocate the direct rollover assets ("assets") the same as my ongoing contributions (if I have an account established) or to the default investment option selected by my Plan (if I do not have an investment election on file). If no default investment option is selected by my Plan, the funds will be returned to the payor as required by law. If additional assets from the same provider are received more than 180 calendar days after Service Provider receives this Incoming Direct Rollover form (this "form"), I authorize Service Provider to allocate all monies received the same as my ongoing allocation election on file with Service Provider. I understand I must call the Voice Response System at 1-800-338-4015 or access Web site at empowermyretirement.com in order to make changes or transfer monies from the default investment option. If my initial rollover assets are received more than 1 year after Service Provider receives and approves this Incoming Direct Rollover form, I understand Service Provider will require the submission of a new form for approval. I understand that this completed form must be received by Service Provider at the address provided on this form.

I understand that the current Custodian/Provider may require that I furnish additional information before processing the transaction requested on this form, and Service Provider is not responsible for determining the status of any transaction that I have requested. It is entirely my responsibility to provide the current Custodian/Provider with any information that they may require, and/or to notify Service Provider of any information that the current Custodian/Provider may wish to obtain in order to effect the transaction.

**Withdrawal Restrictions** - I understand that the Internal Revenue Code and/or my employer's Plan Document may impose restrictions on direct rollovers and/or distributions. I understand that I must contact the Plan Administrator, if applicable, to determine when and/or under what circumstances I am eligible to receive distributions or make direct rollovers.

**Investment Options** - I understand and acknowledge that all payments and account values, when based on the experience of the investment options, may not be guaranteed and may fluctuate, and, upon redemption, shares may be worth more or less than their original cost. I acknowledge that investment option information, including prospectuses, disclosure documents and Fund Profile sheets, have been made available to me and I understand the risks of investing.

**Account Corrections** - I understand that it is my obligation to review all confirmations and quarterly statements for discrepancies or errors. Corrections will be made only for errors which I communicate within 90 calendar days of the last calendar quarter. After this 90 days, account information shall

be deemed accurate and acceptable to me. If I notify Service Provider of an error after this 90 days the correction will only be processed from the date of notification forward and not on a retroactive basis.

**Outstanding Loan Balance** - An outstanding loan balance cannot be included in the direct rollover. However, you may pay off the outstanding loan balance before this direct rollover is submitted. After the loan is paid off, you may submit this direct rollover request. If you do not pay off the outstanding loan balance, you may direct rollover only the cash value (not including the loan) from the contract that has the outstanding loan.
